

Task 6 Submission Checklist

Task 6 Study Session Helper Program - Unit 4 - 20%

Task 6 Submission Checklist

File Naming

Use:

CSCGT_Task6_2026_Surname_FirstName

Required Files

- ☐ Source code or project file submitted.
- ☐ Evidence document submitted.
- ☐ Study Session Helper Program purpose is stated.
- ☐ Prototype, wireframe or interface sketch included.
- ☐ Planning and design documentation included.
- ☐ Algorithm design included.
- ☐ Pseudocode included.
- ☐ Flow chart included or attached.
- ☐ Testing log included.
- ☐ Trace table included.
- ☐ Evaluation and reflection included.
- ☐ External sources or help acknowledged.

Product Requirements

- ☐ Product is a Study Session Helper Program.
- ☐ Product has a clear user and purpose.
- ☐ Product solves a defined problem or need.
- ☐ Product asks for user input.
- ☐ Product processes input.
- ☐ Product produces useful output.
- ☐ Product has meaningful variable names.
- ☐ Product uses suitable data types.
- ☐ Product uses sequence.
- ☐ Product uses selection.
- ☐ Product uses iteration.
- ☐ Product includes validation or error handling.
- ☐ Code includes useful comments.

Evidence Quality

- ☐ I can explain what my product does.
- ☐ I can explain how my product helps a Year 12 student study.
- ☐ I can explain why I chose my variables and control structures.
- ☐ I tested normal data.
- ☐ I tested boundary data where relevant.
- ☐ I tested invalid data where relevant.
- ☐ I recorded actual test results.
- ☐ I fixed or documented errors found.
- ☐ I evaluated the product against user requirements.
- ☐ I identified realistic improvements.
- ☐ My work is my own.

LMS Submission

- ☐ My evidence document is named correctly.
- ☐ My source code or project file is named correctly.
- ☐ My prototype or screenshots are included.
- ☐ My files open on my device.
- ☐ I have submitted through the LMS.
- ☐ I have kept a backup copy.

Final Confirmation

Item	Response
Student name	
Class	
Product name	
Date submitted	
Teacher checkpoint completed?	Yes / No
