

Task 8 Final Submission LMS Instructions

Submit your Task 8 high value domestic network design package through the LMS.

Submit These Files

1. Your completed justification/evidence document.
2. Your UniFi Design Center evidence as screenshots, PDF or exported images.
3. Your logical topology diagram or topology section.
4. Your property source record for the selected realestate.com.au listing.

File Naming

Use:

CSCGT_Task8_2026_Surname_FirstName

Add a clear ending for each file:

- _Evidence
- _UniFi
- _Topology
- _Justification

LMS Comment

In the LMS comment box, write:

5. which file contains your UniFi evidence
6. which file contains your final written justification
7. which property source you used
8. any assumptions about scale, walls or coverage
9. any source, example or asset you used

Final Check

- ☐ My evidence document opens.
- ☐ My UniFi screenshots or export evidence opens.
- ☐ My logical topology is included.
- ☐ My files are named correctly.
- ☐ My UniFi design and written response match.
- ☐ I acknowledged the realestate.com.au listing and other sources.
- ☐ I did not publish the floorplan or address outside my assessment submission.
- ☐ I submitted through the correct LMS upload location.
